6. This Court has jurisdiction over the parties and the matter in controversy is within the jurisdictional limits of this Court. Pursuant to § 15.002 *et seq.* of the Texas Civil Practice and Remedies Code, venue is proper in Dallas County because all or a substantial part of the events or omissions giving rise to the claim occurred in Dallas County.

## FACTUAL BACKGROUND

7. Plaintiff Bagheri is a professional engineer who contracts with several governmental agencies to provide engineering services through his company, Plaintiff Metco.

8. On or about December 7, 2014, at 2:40 A.M., Plaintiff Bagheri realized his vehicle had been stolen while parked at an Exxon service station located at 8201 East R.L. Thornton Freeway, Dallas, Texas, and he immediately contacted the Dallas police.

9. A police officer arrived at approximately 4:00 A.M., took note of Plaintiff Bagheri's driver's license information; and asked him a series of questions regarding the circumstances surrounding the incident, including whether he had his vehicle key with him.

10. Plaintiff Bagheri did not remember that he had two vehicle keys in his pocket initially (both main and spare keys). Since Plaintiff Bagheri had one key still in his pocket at that time, and did not realize the other one was in the vehicle, he answered "yes" to the officer's question.

11. The officer also asked Plaintiff Bagheri what his address was. Plaintiff Bagheri provided the officer with his correct address and advised the officer that his address had recently changed and was different than the address on his driver's license. Later Plaintiff Bagheri discovered that his old address was reported on the police report.

12. The police officer also asked Plaintiff Bagheri of the location of his vehicle when it was stolen. Plaintiff Bagheri told the officer it was stolen at the same location where he was standing and giving the report, and he showed the officer the camera in the gas station pointing at the location where his vehicle was stolen.

13. Unbeknownst to Plaintiff Bagheri, his vehicle was found by the police at 200 West Malloy Bridge Road, Seagoville, Texas, on December 9, 2014, two days after the incident. Plaintiff Bagheri was not informed of this.

14. Although the address on Plaintiff Bagheri's driver's license was for his previous residence in Allen, Texas, all of his mail was being forwarded to his new residence in Dallas, Texas at the time of the incident.

15. Plaintiff Bagheri never received any letters or phone calls from the police or his insurance company that his vehicle had been found.

16. On December 16, 2014, Plaintiff Bagheri filed a claim with Defendant Cincinnati Insurance.

17. On December 26, 2014, at or around 12:30 P.M., two of Defendant Cincinnati Insurance's agents arrived at Plaintiff Bagheri's office located at 1202 Richardson Drive, Suite 300, Richardson, Texas, to question him about the claim.

18. The agents said the reason for their visit was to verify and adjust the claim and they proceeded to interrogate Plaintiff Bagheri about how the incident occurred.

19. The agents asked if Plaintiff Bagheri still had the key to the vehicle. Since Plaintiff Bagheri knew by then the reason he found the vehicle key in his pocket on the date of the incident, Plaintiff Bagheri explained to the agents why he told the police officer that he had the vehicle key with him. The interrogation of Plaintiff Bagheri continued for approximately one hour.

20. At the end of the interrogation, the agents informed Plaintiff Bagheri that his vehicle had been found on December 9, 2014, and they requested that he send a written request withdrawing his claim.

21. Plaintiff Bagheri asked the agents why they did not inform him that his vehicle had been found, which they did not answer. (See Exhibit A).

22. Plaintiff Bagheri proceeded to e-mail his insurance agent, Stacey Glick, on January 1, 2015 and withdrew his claim. On the same day, Plaintiff Bagheri received a call from his company's bonding agent, Mike Hill, with whom he had been doing business with since 2008, informing Plaintiff Bagheri that the bonding agency would not be issuing a bond to cover his current or future projects.

23. Plaintiff Bagheri was informed that he was under investigation by Defendant Cincinnati Insurance for allegedly filing a fraudulent insurance claim, and that the surety company

had a policy not to issue bonds to any company which was under investigation, and until such legal claims were resolved.

Giles*, 950 S.W.2d 48, 72 (Tex. 1997) (bad faith clearly encompasses insurer's denying or delaying payment of claim when insurer knows, at least with substantial certainty, that he has no reasonable basis for doing so).

A. \_\_\_\_\_ just just notify on my driving license still is there there you go that shows Shade Tree Lane that's old address

Q. This

A. I used to live in this address for ten years so still I'm getting lots of emails and you know mails and something but that \_\_\_\_\_

Q. Okay when you bought that vehicle I believe it was in 2009 you bought it was a used vehicle

A. Yes

Q1. Seven

A. 2000 the car

Q. It's an '07 vehicle

A. It's '07

Q. But I think it was purchased in

A. 2009

Q. 2009

A. Around that area yeah

Q. Was that a straight up purchase or did you did you trade it in trade another vehicle in or did you just purchase

A. No just purchase

Q. Okay I'm looking at this Proof of Loss Avadavat show it you completed and provided one of the questions was the was the purchase price and you indicated you paid \$70,000 for the vehicle is that correct

A. No the value worth \$70,000

Q. No this says purchase price

A. Maybe it's the wrong one is I didn't purchase it for \$70,000 at that time it worth \$70,000 when I purchase it 67,000

Q. You got a heck of a deal then

A. I got a very good deal

Claim #2351850  
Page 15  
April 24, 2015

Q. Is that right

A. That that sounds right yeah

Q. Okay

A. They they this dealer they had so many different name on it

Q. I'm looking at a record here this is through the state system on registration on that vehicle

A. Sure

Q. And they show the sale price this is what was listed by whoever you bought it from

A. Uh-huh

Q. And this is taxing purposes is what they list there

A. Uh-huh

Q. For that vehicle is \$40,605

A. \$40,605

Q. Yes does that ring a bell

A. No that should be more because I've got \$40,000 on

Q. Finance

A. Finance but I don't know sometimes it may be less I just whatever is the actual cash value

Q. Well see that's what I'm trying to

A. Yeah

Q. I'm trying to understand

A. I don't

Q. The value and the cause you know we're looking at value based on your you know that's all relative to your claim so

A. Uh-huh

Claim #2351850

Page 16

April 24, 2015

Q. I've got too many numbers floating around

A. It's always on a car you got too many numbers with the cars depends what you want I mean how do you want I mean have you ever been to the dealership to buy a car it's

Q. Oh yeah

A. There's always the price \_\_\_\_\_

Q. And these are these are pretty much factual I mean this is what I paid for it

A. Sure

Q. This is what it's worth today

A. No I paid I paid more I got \$40,000

Q. Like I said I got a value at 70,000 and I've got now you're telling me you paid around 50 for it and and that's what is was here but and then I'm looking here at the actual information that's provided to the state for taxing purposes as the sale price of 40,605 there's a lot of discrepancy here so

A. Yeah probably that this is \_\_\_\_\_

Q. I'm trying I'm trying to sort it out

A. Yeah sure I mean \_\_\_\_\_

Q. Why'd you park at 7-11 and not over there towards Denny's

A. Because it wasn't it was so crowded there so I thought is a better place and then I just pull into and that's it because if you come from this way it goes here but it goes to that way you have to go around and go so just walk to 7-11 and walk here

Q. Had you ever been there before

A. No first time I just saw the Denny's here and then I park it here

Q. Did you

A. Because I didn't want to I wanted to go to 7-11 after I done my my \_\_\_\_\_

Q. You did want to go to 7-11

A. I went there to 7-11 I was waiting there for two hours I mean here you I I was inside the 7-11 for waiting there for two hours and see the police

Claim #2351850  
Page 17  
April 24, 2015

Q. Okay I got another question reference

A. Yes sir

Q. Going into 7-11 and I'm reading this from the affidavit of vehicle theft that you provided to us

A. Sure

Q. And it says briefly describe the details of the theft and it says park in gas station parking lot which the gas station is what you're is is what you're referring to is is the 7-11

A. Yeah

Q. At the above address and went it says you parked went into the gas station and then to Denny's next door to eat

A. Probably yeah

Q. But previously you told me that you parked and went straight to Denny's so I'm I'm confused

A. I'm I mean this is back in about what is about just matter of these few few things I don't know I have to look at it I have to see which one I did I go went to there or go to the gas station because usually I can't remember

Q. Okay

A. Just matter of a few minutes you know there and there

Q. How did you backing up a couple steps here

A. Sure

Q. And I know you said you got hungry that that early that morning

A. Uh-huh

Q. And decided to go grab a bite and you came from the downtown area of Dallas did you just drive until you found something or did you pull it up on your phone to to find a location of a Denny's I know they're all night restaurants

A. I can't remember I was I was heading to to a stop by and the there was a Vanessa was with me and here friend suppose to pick her up that's was we stopped there to stop and grab the bite and

Q. Where where was where does Vanessa live where does

A. She lives in Houston

Claim #2351850

Q. Is she just a friend

A. Just a friend

Q. Acquaintance

Q. Are you are you current on your premiums with with the for your insurance policies are they are they paid up

A. I think so I mean the it goes straight yeah it should be is that is that any

Q. I don't know

A. I don't know yeah it should be

Q. I'm not trying to get real deep in personal issues here I just trying to make things reasonable in my mind here

A. Sure

Q. You said you live with a lady but you don't live with Vanessa that's this is

A. Of course not

Q. Okay

A. No she's a friend

Claim #2351850

A. 832-738-8764

Q. 8764 okay very good

A. Yeah may I ask what kind of question you want to ask her

Q. Sure I just basically see what she saw and observed and you know

A. Absolutely

Claim #2351850  
Page 20  
April 24, 2015

Q. Verify that that end with her since she appears to be a witness I always like to talk to witnesses

A. Absolutely

Q. About about things

A. Yeah she was waiting there for two hours with me to to wait for police and she you know to to

Q. I thought somebody picked her up and took her

A. She was she was stay she we left when she find out she was going around and then she backed she back to see me there she was waiting there as well he left at the restaurant they park it here

Q. Uh-huh

A. I was parking here they went this way I went that way I find my car is missing she was coming there she saw me here she goes back and come see me that's exactly what happened after I was waiting for two hours

Q. So she waited with you while until the police got there

A. Yeah and her friend left

Q. So how did you get home

A. Taxi

Q. Vanessa didn't offer to take you home

A. She didn't have a car she has to got to friend to pick her up so I took her we take a taxi we get home I got another car I dropped her at her car and then we come back that's it

Q. All right who is I got a name here u-b-e-r Uber who is

A. That's the taxi the Uber

Q. That's the taxi that's the

A. Yeah where did you get this man

Q. That's on it's just information you provided on your affidavit of vehicle theft

A. Yeah

Claim #2351850

Q. That's that's I'm just going at the says how did how did you get home after theft it says Uber I didn't know if that was a name or

A. Uber no

Q. It didn't say taxi so

A. Uber is a taxi

Q. Okay

A. Is a new App you put it in the and you're going to have it right away

Q. All right

A. I suggest you to have one just in case if your car gets stolen

Q. Okay Barry let me let me let me run something by you okay

A. Sure

Q. I went to the 7-11 like I told you I went there

A. Uh-huh

Q. Looked at the location trying to get a understanding of what what actually took place that night and I've looked at video footage of the theft

A. You did that that's good okay

Q. Absolutely

A. So have you seen anybody to I mean

Q. Let me let me tell you what I'm seeing here okay

A. Sure

Q. There's a camera here

A. Yeah

Q. Here and here

A. There's a I saw that camera

Q. There there's three camera here

A. I see \_\_\_\_\_

Page 22

April 24, 2015

Q. There's some other ones out here but what I'm seeing and I'll give you some exact times

A. Uh-huh

Q. That I've noted at 2:44 a.m. Sunday morning

A. Was it's 2:44 so it wasn't \_\_\_\_\_

Q. I'm I'm going to say approximately 2:44

A. Uh-huh

Q. But that's the time that was on on their their footage

A. Yeah yeah

Q. I see your vehicle pull in

A. Here yes

Q. And park right over here I see two people get out of that vehicle

A. Me and her

Q. I can't tell you I couldn't give you that close a description I see two people

A. Okay

Q. Two individuals get out of that vehicle

A. Uh-huh

Q. Nobody goes to 7-11

A. Okay

Q. Nobody goes inside 7-11

A. Went to straight to Denny's

Q. Both both individuals walk straight over to Denny's

A. Uh-huh

Q. At 3:01 or approximately 3:01 a.m. which is about 15 minutes later I see a couple of individuals over here on the sidewalk

A. Uh-huh

Claim #2351850  
Page 23  
April 24, 2015

Q. From this camera view I can see your vehicle parked here head on

A. Sure

Q. Lights flash twice means somebody's pushing your has a key okay

A. Oh

Q. Yeah

A. Okay

Q. And an individual walks over opens the door there's no forced entry starts your car and drives off it's your car that's it's obvious

A. Was it the do you how many cars been \_\_\_\_\_ do you know how many people one or two

Q. Pardon me

A. Two how many just only one person get in my car

Q. One person gets in your car and drives it off

A. And it was the male or female

Q. It appears to be a male I don't know you tell me

A. I don't know never I don't know but

Q. But nobody broke into your car and

A. No can't be broken

Q. And and \_\_\_\_\_

A. I didn't see any glasses or anything so

Q. Somebody had the key

A. Somebody had the key yeah

Q. Yeah

A. But the key I'm sure it wasn't with her or the girl was with me I mean absolutely don't know if they got the key or not because when I when I get out of the car I remember I was looking for I was when I was getting out of the car I was I was it was I was trying to to close the door and then she came out and then we went to the Denny's and that's it and I thought my keys with me and when I was there that's what has happened I don't

Claim #2351850  
Page 24  
April 24, 2015

Q. Well let's let's step back and talk about this again there's there's several discrepancies in what's on documented information

A. Uh-huh

Q. Here that I'm looking at

A. Sure

Q. That's not matching up to what you're telling me today

A. How come

Q. Well you're telling me one thing and it's documented based on information you provided earlier to the police and to our company that that are not coinciding at all so I'm I'm that's why I'm wanting an explanation

A. Yeah sure I mean go ahead I mean what

Q. Let me let me go back to

A. Whatever it is I mean this car been stolen with someone which I don't know what happened so I want to find out

Q. Okay

A. This is my car

Q. Here's here's one that's confusing me because

A. Sure that's

Q. You know you're telling you

A. Let's clear it up

Q. There was there was somebody with you a lady friend by the name of Vanessa

A. Yes

Q. Here's you're here's another discrepancy this is a misrepresentation on your your affidavit of vehicle theft it says name and address of others present you say you say no none

A. At that time when I was with the police yeah I mean

Q. That's not what it asked it doesn't say with the police this is it you know during the incident was was anybody with you and there's no information there

A. Okay I mean I can change that to you but that's that's what has happened

Claim #2351850  
Page 25  
April 24, 2015

Q. Tell me about the the contents that we we had there there's after the fact after the police report you came back and

A. Uh-huh

Q. And indicated that there were computer and a tablet some other items in your car that was also stolen

A. Yeah I got I got my I got some some of the stuff some personal stuff and my computer a prescription glasses and some other stuff in this in the car \_\_\_\_\_ and one tablet Samsung tablet

Q. Why didn't you report that to the police when they came out

A. It was I was so shock at that time I didn't didn't know I had to say the police tell the police all this all the stuff in my car I didn't even think about it at that time I was waiting for getting the car and getting home after two hours waiting

Q. Let's go back to this key situation here this is this is very confusing

A. Sure

Q. Maybe I'm not being clear or

A. No just make it clear I want to be I want to be

Q. Because I and this is this is another

A. I want to make a better statement

Q. This is the yeah I'm reading the words as they're written

A. Sure no problem

Q. The complainant had his keys and stated that the car was locked that means when that police officer arrived for your to take the report for your theft he said you had the keys it says

A. Yes

Q. You had the keys okay

A. Yes and then when I find out the car is stolen I didn't see my keys in my pocket that's why the guy who was there and flashing these open the door so somehow I dropped the key as I mentioned that on the way back into Denny's or somehow I I keep and dropped it from my car or from my pocket or whatever somebody pick it up and trying to whether I don't know

Claim #2351850  
Page 26  
April 24, 2015

Q. And it just happened to be a car thief that that stole your BMW and just happened to drive it down to Seagoville it's been recovered by the way we're going to get to that too

A. Oh you can find it

Q. Let's let's talk about that

A. Oh okay

Q. It was driven and abandoned in Seagoville Texas which is southeast of Dallas here a Suburb of Dallas

A. Okay

Q. It was in a business parking lot down there it was recovered by the Seagoville Police it

A. How long ago when when that happen

Q. I'm getting to that it was observed there at this business by employees of the business the same day or probably the Monday when they came to work being on their their lot and it was actually let me find the it was actually towed from that location at the request of the Seagoville Police by this East Lake Towing which is out of Forney

A. From from the gas station

Q. No

A. Oh

Q. From this business in Seagoville now like I said it was it was observed there for a couple of days at this location it was towed on the 9<sup>th</sup> you reported it stolen on the 7<sup>th</sup> it was it was recovered on the 9<sup>th</sup>

A. Oh

Q. Two days later

A. Okay it was the car \_\_\_\_\_

Q. So I'm trying I'm trying to be understand the whole scenario let me give you let me give you a little bit of background here on me I was an auto theft investigator for a long time and this is one of the reasons Stacey asked me to get involved

A. Sure

Claim #2351850  
Page 27  
April 24, 2015

Q. Cause I have a little bit of expertise in that in that field but I'm not trying to unreasonable cause I want I want to think like a thief would think in the situation and say okay I happen to find this key fob and that's I'm thinking that's what you're trying to tell me that you dropped your key somewhere in that parking lot

A. Probably I mean there's nobody and and one more thing this car is the is somebody who got a key from the \_\_\_\_\_ It's the keys around the car door can be open and can be start I mean you can start you can start the car

Q. Okay you're thinking the key was in your pocket

A. Yes that's the usually I don't take it out of my pocket

Q. And now you're telling me it was in your pocket and at some cause it was in close proximity of the car somebody was able to get in it and start it

A. That's what I thought but right now if you're telling me you got somebody flashing the car that means somebody had the key in their hand

Q. Barry here's either you had the key with you or you didn't

A. I find out when I lost my car I find out I do not have the key with me at that time when I when it's lost and the police report says I had the key maybe that's a spare key I had I mentioned that because got any you have any keys I said yes a spare key I do have the key so maybe maybe that conflict there

Q. Okay let's let's go back to the scenario an individual at three o'clock in the morning happens to be walking across that same parking lot in that same path

A. Yeah

Q. Look and happens to find a key fob and then activates it and then walks straight to the car and gets in drives it off and then and then drive it straight to a location in the southeast part of Dallas and and abandons the vehicle what's the purpose

A. I don't

Q. Why why would a thief do that

A. I don't know

Q. I don't either

A. I don't know that's the first time this is this is this is the this is the first time I heard about it and is that have you seen the vehicle can I go and have a look at it or whatever

Claim #2351850  
Page 29  
April 24, 2015

Q. I don't know

A. I don't know

Q. That's not what a thief would do

A. That's right yeah I didn't I did not know my my vehicle was in so what's the how can I get my vehicle back what is the situation right now

Q. Well the situation right now from my perspective is not being accusatory but I'm not so sure it was stolen

A. How come

Q. Well

A. Who who can be sitting in that car except me and not droving without my permission to sitting in my car and drove away without even me knowing

Q. Somebody had a key

A. Somebody had the key here

Q. And it's real fuzzy as to where your key was I base my understanding on what is written down in a in a police report which is typically an accurate representation of the incident

A. Absolutely yeah I mean that's that's what I'm probably if this somebody had the key and to open the door

Q. I would absolutely agree to that

A. I do agree with that

Q. And what I'm seeing here is and and is an incident where you decided one morning that you were hungry at three o'clock or 2:30 in the morning and ventured out to parts unknown

A. Yeah

Q. To find an all night restaurant that to me is quite a ways out of the way I think there's some all night places open closer than that but and I and I see you with another individual

A. Uh-huh

Q. And I based all this on what I'm I'm seeing on on video footage

A. Sure

Claim #2351850  
Page 30  
April 24, 2015

Q. I I see conflicts in in in your information provided as to going in or no I didn't go in I don't think it's that been that long we're talking about a couple weeks ago that you wouldn't remember details like like that

A. I remember most of details but the only details I can't remember I can't remember either I went straight to Denny's or went to gas station first

Q. Well

A. And now the video \_\_\_\_\_

Q. I can say you didn't go you didn't go in 7-11 \_\_\_\_\_

A. But I went there after that I went into 7-11 and I already ask the guy to to see if there is anybody seeing my car but nobody see it at that time I couldn't get any help from the manager of the gas station trying to look at the video but I knew that this would be but I knew that it's going to be recorded and I'm so glad you find it out

Q. Well I don't know if that's in your benefit or not because I am you know like I said I'm seeing you drive up with another individual and I'm not real sure it's a female but I'll look a little closer when I when I go review this again

A. Sure

Q. So and then I'd like to talk to Vanessa

A. Absolutely

Q. See if she can confirm what you're telling me but then I'm seeing about a 15 minute timespan and I described earlier two individuals in this area here between the the two the Denny's and the 7-11 I see your lights flash somebody's activating the the key fob to open the door walk in crank it up and drive it off one man

A. Uh-huh

Q. So I'm not real sure what what all happened that night but I don't I don't know that I'm it's a legitimate theft

A. How do you I mean how how I'm sure that was the that was the theft but I mean what else it can be I mean somebody has stolen that car my car at that place so either legitimate or not I don't know what you mean about that what you what you

Q. Well I think

A. Be be more clear with this part cause

Claim #2351850  
Page 31  
April 24, 2015

Q. No I'm being very clear

A. Yeah I mean what it is I know somebody is sitting in my car flashing as I said is right there that's what you said

Q. Yes correct

A. As far as the video says but what else need to be done I mean what else to be think I mean I don't get it

Q. The the information I'm understanding from what you're telling me is is very foggy there's too many I'm not sure if I don't know if I did this when and like I said this has only been two week two weeks ago this event took place

A. That was two weeks ago yeah

Q. Or roughly two weeks okay

A. Yeah so I mean what where is this part is foggy what you mean I mean just tell me which part of the work is foggy there is this this car has been stolen now it's find it out I'm glad to find out my my vehicle is parked why should I I mean this car been stolen at that time and that's what happened and I I give it

Q. Is this the story you're you're sticking with then is this what you're what you're telling me today is what happened

A. That's exactly what I told you I mean

Q. Yeah did you have any involvement in in in that vehicle being removed from that parking lot

A. No not at all

Q. You have no no connection

A. No no connection nothing I don't know anything about it that's the first thing I heard is about this whether the aftermath of this thing you telling me right now I have no involvement with anybody regarding this theft not at all whatsoever I don't know anybody in that area and that's that's what happened

Q1. I got nothing \_\_\_\_\_

Q. Your vehicle is in Fornay at a wrecker service I'll give you the information to contact them

A. Sure

Q. There doesn't appear to be any damage to it I'm sure there's some tow fees and and storage to be settled up with those folks that's just to advise you of that

A. Can I have a location do do

Claim #2351850  
Page 32  
April 24, 2015

Q. Yeah I'll give you that in just a minute we'll go ahead and conclude our our interview

A. Sure

Q. Do you have any questions for me

A. No the only thing you get that information you know I want to know exactly what happened I just want to know too

Q. Well that's the reason I'm here is to find out what happened

A. Well I want to find out too to be honest with you I I mean I'm not I'm not into that kind of business just want to know what happened

Q. I don't have any further questions

A. Yes sir

Q. I appreciate your time

A. I appreciate your time too

Q. And

A. So what's my next step here I mean getting the vehicle but is that anyway we can prosecute the you have any information for the person who been stolen my car to go on after these guys

Q. No I do not

A. Why not I mean there is no no other way to do it or I mean you got up to this point and they got the parked car I mean is is that Fornay place that have \_\_\_\_\_

Q. Well I'm not a police officer okay

A. I understand I mean

Q. That's that's up to the law enforcement people

A. Sure

Q. To pursue a criminal charges on that now whether

A. So they haven't find the guy yet

Q. Pardon me

A. The the guy who in the stolen my my vehicle is is

Claim #2351850  
Page 33  
April 24, 2015

Q. No it was unoccupied it was abandoned when they found it

A. Okay

Q. That's what that's what I was

A. Oh

Q. Discussing earlier was the fact that you know it wasn't somebody driving your car and they got stopped by the police it was parked somewhere and abandoned and that's why there was no motive here for somebody to steal your car it was just taken driven down to a location and left at a business now

A. How far how far was from the that location to that location do you know

Q. I don't know mileage probably 20 miles

A. 20 miles

Q. Or more down there if if I had to guess and that's that's why that all this we talked about earlier about the discrepancies in what you've reported what you're telling me today any kind of a a motive for a thief to take a a vehicle like that and just drive it down and park it in a in a business parking lot

A. Yeah I mean that's \_\_\_\_\_

Q. Well if somebody says now wait if it was then found with with the wheels stripped off and you know the stereo missing that that makes sense maybe but you know that's not what happened

A. No I'm glad they found my car I love that car is the car and everything

Q. All right sir well I appreciate your time

A. \_\_\_\_\_

Q. I don't I don't have anything further

A. So what's the next step

Q. I'll give you this information on where it's located you can discuss the claim further with Stacey and

A. Sure

Q. Move from today on but

A. No no problem

Claim #2351850  
Page 34  
April 24, 2015

Q. That's all I have today you anything else that you need to know at this point

A. Not really

Q. Okay we'll go ahead and conclude and I'm going to turn the recorder off thank you very much

A. Thank you
